Hospitality Operators & Professionals Society (H.O.P.S.) LLC, is an ever-growing business dedicated to the underserved Hospitality Industry. We are membership based, paid through a yearly dues at \$30.00 a year for individuals and \$60.00 a year for Businesses.

Through our website www.HOPSOFFICIAL.com, we are working hard to create a one-stop shop for all things geared toward professional and personal growth. The site is designed to be trafficked daily by our members, through access to forms and templates, job postings, training and certification courses, mentoring blogs, and access to individuals and businesses advertising their products and services through a directory, and so much more.

Every Business Member has access to our website to place jobs, communicate with our individual members and use our tools & resources to better day-to-day operations.

With becoming a Partner, you'll be able to provide your website & logo and the direct information of you and your colleagues in all of our directories. Our website is planning to be trafficked daily due to the accessibility and constant updates of information. You will be advertising throughout our social media platforms and honored as a sponsor at all of our events.

You can choose an individual page suitable to your market or place your business throughout our website. Through our Direct Connect approach, your advertising dollars will go a long way. We offer a variety of price point options to advertise on the site and we offer monthly, quarterly, or yearly payment structure to advertise, giving you more control. For as low as \$7.00 a day, you can have access to every page on the site, or for less than \$3.00 a day, you can list within our directory.

Below are just some of the resources available now to members and goals we have set for ourselves to complete:
